

# Face Fit Testing

15 Minutes  
Per person

Face Fit Test  
Certificate

## Be Prepared

The Law requires employers to manage exposure to dust by providing employees with Respiratory Protective Equipment.

COSHH regulations 2002 require that RPE must be Face Fit tested to ensure correct fitting and protection against substances that are potentially hazardous to health.

## Whats Covered?

Dobson Grey are certified to carry out Face Fit Testing for the Half Face Filter Mask and Disposable Protective Face Mask.

- The test takes approximately 15 minutes per person.
- Upon completion of the test, delegates will receive a Face Fit Test Certificate which will state the make, model and size mask fit tested.
